

Escanaba Area Public Schools Web Page Photo Authorization

Dear Parents,

From time to time, pictures of school activities will be available on our School Web Page for viewing. This helps make the site interesting and fun for the students. However, no recognizable pictures of students can be used unless permission has been granted. If you would like to give permission for pictures of your child, participating in general school activities, to be included on the Escanaba Area School Web Page, please complete this form, sign it, and return it to the school office.

Our school website is available at:
